## Anchorage - Glenn Highway/ Eagle Glen Subdivision Area Drainage

**State Funding Requested: \$ 550,000****House District: 17 - I**

One-Time Need

**Brief Project Description:**

This project will construct storm drain improvements primarily in the Glenn Highway right of way between Artillery Road and North Eagle River Exit to prevent homes flooding in the Eagle Glen Subdivision.

**Funding Plan:****Total Cost of Project: \$550,000**

State Funds	\$150,000	08				
Total	\$150,000					

**Detailed Project Description and Justification:**

Design efforts have been funded with a state grant totaling \$150,000. This appropriation will fully fund the project for a 2009 construction start for storm drain improvement to prevent flooding and water damage to homes in the Eagle Glen Subdivision. Significant glaciation creates flooding in the ditches and storm drains which has affected these homes and area for over 20 years.

**Project Timeline:**

Design is expected in the spring of 2008 with a construction start of 2009.

**Entity Responsible for the Ongoing Operation and Maintenance of this Project:**

Municipality of Anchorage
